

**COURTS AND LAW ENFORCEMENT MANAGEMENT INFORMATION SYSTEM
(CLEMIS) AUTHORITY**

EXECUTIVE COMMITTEE

RESOLUTION 2026-50

Authorize Contract with Okta, Inc. for Authentication Services

The Courts and Law Enforcement Management Information System (CLEMIS) Authority (the “**Authority**”) is in need of authentication services.

The Federal Bureau of Investigation’s (the “**FBI**”) Criminal Justice Information Services (“**CJIS**”) Security Policy Version 6.0 (the “**Security Policy**”) requires authentication and multi-factor authentication (“**MFA**”) for systems that access criminal justice information. The Authority must comply with the Security Policy.

The Authority’s chief executive officer (the “**CEO**”) and chief technology officer (the “**CTO**”) have identified Okta, Inc. (“**Okta**”) as a provider that can meet the needs of the Authority.

The Executive Committee acknowledges that Okta was implemented to provide authentication and MFA services in support of CJIS compliance requirements when Oakland County ran the CLEMIS System.

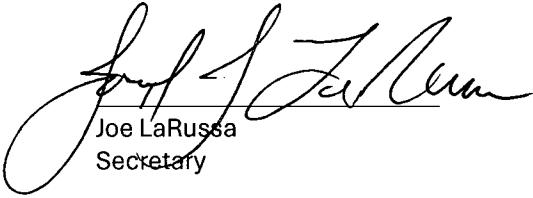

The Executive Committee wants the Authority to enter into a contract with Okta to provide authentication services.

The Executive Committee therefore resolves as follows:

- that the CEO is authorized on behalf of the Authority to enter into a contract with Okta to provide the Authority with authentication services;
- that the agreement entered into by the CEO must be substantially similar to that which was presented to the Executive Committee, attached hereto as **Exhibit 1**;
- that any written agreement with Okta must be approved as to form by the Authority’s legal counsel before the CEO signs the agreement; and
- that the CEO is authorized to sign documents and take other action on behalf of the Authority necessary for Okta to provide authentication services on terms substantially similar to those of **Exhibit 1**.

Secretary's Certification:

I certify that this resolution was duly adopted by the executive committee of the Courts and Law Enforcement Management Information System (CLEMIS) Authority at a properly noticed open meeting held with a quorum present on June 16, 2026.
